KLEENair unit comes in two models: *Basic* or *Self-Powered*. You can order an 8" (Basic), a 10" (Basic or Self-Powered), or a 14" (Basic or Self-Powered) unit. The unit will come with a corn screen (with 1/4" holes) or you can request a wheat screen (with 1/8" holes), or you can order a custom-sized screen. The Basic KLEENair unit goes between the dryer and the dryer's discharge, or it can be spliced into an auger. The Self-Powered KLEENair is a stand-alone unit with its own inlet, outlet, low-speed drive motor, pulleys, and accessories and can be placed almost anywhere.
